

## PRODUCT SHEET

<b>PRODUCT:</b>	BRIQUETTE																																																																																														
<b>TRADE NAME:</b>	HOT BRIQUETTED IRON (HBI) A																																																																																														
<b>SCIENTIFIC NAME:</b>	DIRECT REDUCED IRON (A)-BRIQUETTES HOT-MOULDED(HBI)																																																																																														
<b>SECTOR:</b>	IRON STEEL																																																																																														
<b>TARIFF CODE:</b>	7203.10.00.00																																																																																														
<b>TARIFF DESCRIPTION:</b>	Ferrous products obtained by direct reduction of iron ore																																																																																														
<b>PRODUCT PRESENTATION:</b>	Briquette (iron pad) with the following dimensions: 102 x 51 x 25.4																																																																																														
<b>HANDLING UNIT (PACKING AND PACKAGING):</b>	TONS
